WHITEFIELD - HOSKOTE

GREENS IN THE MIDDLE.
PEACE ALL AROUND.

A LEGACY THAT REMAINS EVERGREEN.

The Godrej story began in 1897, with the manufacturing of locks. Since then, we have set several benchmarks. From a state-of-the-art manufacturing facility in a suburb in Mumbai, we've reached homes, offices, industries, and the hearts of millions of people in India and around the world.

With a proud tradition of many firsts, we put ourselves to work every day, building on the foundation of trust that was laid 128 years ago. With innovation and excellence at heart, we create thoughtful living spaces that continue to redefine living experiences and the skylines of major cities.
