8 Iconic Towers

An architectural floor plan of a large, irregularly shaped building. The plan is divided into several distinct areas. On the left, there is a large, curved section with a dark brown floor, possibly a stage or a large lounge area. In the center, there is a large, open area with a light brown floor, which could be a main hall or a large lounge. To the right of this central area, there is a section with a blue and white geometric pattern, possibly a pool or a large art installation. Further right, there is a section with a green floor, which could be a dance studio or a gym. At the bottom, there is a section with a dark brown floor, possibly a stage or a large lounge area. The plan also shows various smaller rooms, including a kitchen, a business center, and a learning center. The building is surrounded by a green lawn and some trees.
