AHEAD

LEAVE THE ORDINARY BEHIND. UNAPOLOGETICALLY.

You did not work hard and get to this position, to share your space with mediocrity and be surrounded by monotony. Leave it all behind and arrive at a higher dimension of luxury. Just like you claimed the throne at work, come, claim your royal suite in the most charming landscape of the future. It's where you rightly belong.

THE FUTURE IS
NEOPOLIS.
AND, IT'S YOURS.

Simple. Those who are better than the rest must live ahead of the rest. Neopolis, Hyderabad is truly an icon of modern urban landscaping – an address reserved for those who don't want to just knock on the future, but claim it.

 **SATTVA
LAKE RIDGE**
Neopolis, Kokapet

WELCOME TO SATTVA LAKE RIDGE. YOU DESERVE TO STAY AHEAD.

Home - it means different things to different people. However, we understand what it means to you. A sense of Pride. When others come home, they just come home. When you come home, you come home to the most opulent landmark every day. A symbol of your refined taste and your desire to be truly distinguished.

Welcome to Sattva LakeRidge. For those who take pride in their address, it's a nameplate that you will wear with pride. It's where the winners come home.

SATTVA LAKERIDGE

Neopolis, Kokapet

SATTVA LAKERIDGE. EARTH, WATER, SKY, AND MESMERIZING VIEWS.

Wake up every single day to a beautiful sunrise reflected on a lake. Get pristine views of the horizon. Where sky meets land, let your imagination meet manifestation. Quiet, morning walks by the lake, are the perfect antidotes to busy morning routines.

Have the sun, the moon, and the stars perform a magical opera for you. Imbibe the calmness of a picturesque lake into everyday living.

Find more time to cherish the extravagant. Make the most of this convergence. Make your peers envious. Indeed, if you have any peers at all.

ALTITUDE IS ALSO AN ATTITUDE.

For Sattva LakeRidge, we have really picked a landscape that's physically (and metaphorically) higher than the rest of the geography. So that you are the king of all you survey. And now, literally, the world is at your feet. And you are where you belong, right on top of the world.

A TOWERING ODE TO YOU.
TRANQUILITY FOR
YOUR INNER SELF.

Designed by the best minds in the business, the 6 marvelous towers at Sattva LakeRidge complement your mindset like nothing else. Writing a silent ode to the lake that it overlooks.

Welcome to the most awe-inspiring exteriors you will ever see. It's like your own ambition standing up tall and saluting you proudly. If you have earned it, then it's time to own it. Perhaps, even flaunt it.
