GATEWAY TO EXTRA EDGE

Xtra Thought

- Gateway to Extra Edge
- AC Bus Bay
- E commerce Zone
- Designer elevation

You can feel the difference right at the start. The Entrance arch itself is a story of design and detail. The building architecture, the extra effort to get the elevation where slab projections need that extra scaffolding and effort, all these combined together with thoughtful gestures like the e-commerce zone, AC bus bay & multiple entry & exits for traffic control differentiate VIRAAT, making it truly one of a kind project.
